PRODISPLAY™

SCREEN INNOVATIONS

Pro Display was born to innovate, changing the face of visual display as we know it today. A manufacturer at the forefront of display technology, focused on developing new and exciting ways to advertise and entertain. Image is no longer just a desire it's become a way of life.

A combination of design flair, innovation and expert knowledge have created a truly unique range of display products and solutions. The Screen Gallery in Leeds, provides you with an opportunity to share in our vision and see some of the most advanced screen technologies the world has to offer. If you do not wish to drive then we can arrange to pick you up from a local airport or rail station. Refreshments are available for all our guests - please feel free to bring your clients.
